

Toy donation guidelines

Many thanks for making a big difference to the kids we serve in our hospitals and clinics. Prior to making a donation, please be mindful of the following guidelines:

- All donated items must be new (store-bought and in original packaging) and may not contain Latex
- Donations with religious or violent themes are not accepted
- Infection control guidelines permit us to **not** accept: gently used items, items that have been stored for an extended period of time and food
- To respect the privacy of our patients and families, donors are unable to personally deliver gifts to patients
- For storage reasons and ease of transporting items home from hospital, please keep items to a "grab and go" size (not larger than 12" tall)
