

## Toy Donation Guidelines

Many thanks for making a big difference to the kids we serve in our hospitals and clinics. Prior to making a donation, please be mindful of the following guidelines:

- *All donated items must be new (store-bought and in original packaging) and may not contain Latex*
- *Donations with religious or violent themes are not accepted*
- *Infection control guidelines **DO not** permit us to accept: gently used items, items that have been stored for an extended period of time and food*
- *To respect the privacy of our patients and families, we are unable to accept donors personally delivering gifts to patients*
- *For storage reasons, infection control parameters, equitable distribution and transportation logistics, please keep items to a "grab and go" size (not larger than 12" tall)*
- *All donations not purchased via Children's Wisconsin's gift registries must be approved by the Volunteer Services Donation Coordinator and dropped off by appointment only.*
